

Welcome!

The purpose of this application is to give you a comfortable experience navigating Cornell's many libraries.

The following tutorial is designed to help you discover the useful options and functions this application can afford.

Swipe for more information!

 Search for libraries and equipments

Sort By Distance 

Olin Library

7 a.m. - 11 p.m.

0.1 mi

This is what you will see on the home page, where you can click on each library to find out more about it.

Now let's try the filter function, which can be accessed through the  button above.

Swipe to see what comes next!

Using this function you can access different filter options, after checking your desired filters click "Apply Filters"

Sort By Distance

The gray arrows indicate

the possible filter options

 Search for libraries and equipments

Sort By Distance 

Olin Library

7 a.m. - 11 p.m.

0.1 mi

Now let's try to use the Sort By function. In order to do so you will need to click on the Sort By option above.

Swipe to see what comes next!

 Search for libraries and equipments

Sort By Distance 

Olin Library

7 a.m. - 11 p.m.

0.1 mi

The libraries are sorted by distance by default, from closest to furthest. But you can also sort it by seat availability by tapping the button below.

Swipe to see the last slide!

Sort by Seat Availability (Most to Least) 

Sort by Distance 

That's It!

Hopefully this was a useful guide and you learned a lot.

We hope you enjoy your library experience!

Your journey starts here!
